Wednesday, May 24, 7:00-8:30 pm
Silver Spring Library, Third Floor
900 Wayne Avenue, Silver Spring

Katherine Heiny's charming and funny first novel, *Standard Deviation*, explores the challenges of a good marriage, the delight and heartache of raising children, and the temptation to wonder about the path not taken. Heiny is the author of *Single, Carefree, Mellow*, a collection of short stories. Her fiction has appeared in *The New Yorker*, *The Atlantic*, and *Ploughshares*, among other publications. She lives in Washington, D.C.

Heiny will be in conversation with writer and journalist Bethanne Patrick, who is the editor of *The Books That Changed My Life*. A book signing will follow and coffee will be served, courtesy of our generous friends at Kefa Café.
